

PATTERNS BRIGHTON

Job Title: Deputy Manager
Location: Brighton
Salary: £20,000-£24,000 depending on experience, plus bonuses
Full/Part time: Full-Time
Length of employment: Permanent
Start Date: ASAP
Closing date: 14th April 2017

Mothership is the ultimate parent company of the Mothership Group of companies which owns and operates bars, event venues, nightclubs, producing innovative events in the buzzy and vibrant social scenes of London and Brighton. Presently comprising of four venues and organising 1200 events a year, the business plans growth in the coming years. The company has a passionate Board, with a record of success in the hospitality and event sector. We are seeking a like-minded, ambitious, experienced Deputy Manager to join our Brighton Team.

www.mothershipgroup.com

A friendly Deputy/AGM to support an excellent GM is required to assist in running a great team as well as producing some of the busiest and best events in Brighton. You'll need strong leadership skills, an ability to keep cool under pressure whilst being confident in your decision-making process. Excellent people skills and diplomacy are a must. The role is very hands on as well as extremely diverse; you will be expected to run around a lot! We'll reward that effort by developing you to be one of the best in the business.

You'll be responsible for:

- Delivering excellent customer service
- Training and developing the team, including key holders, supervisors and bar staff
- The management and the development of key procedures, skills, service and policies
- Generating sales, cost management and reduction
- Promotions management, running huge nights, working closely with bands, DJs and artists

The ideal candidate will have:

- A real can-do attitude, bags of energy and great influencing skills
- A minimum of 2 years' experience, management level in a busy bar, club or venue
- Experience running events
- A lot of creativity, original ideas and passion for the bar industry
- Heighten organisational skills
- Experience with stock management
- An understanding of P&L's and an ability to deliver and exceed challenging business and financial targets
- A personal License
